# GOOD & REESE Spring Stock for Florists

ASTILBE JAPONICA—Actual photograph taken March 25, 1929. Astilbes are becoming more popular each year because of their ease of culture and handling.

# Quality Stock! Prompt Service! Reasonable Prices!

For many years we have specialized in the growing of young, forcing stock for Florists. This year we have prepared an unusually large quantity of Astilbes in young stock for growing on. Note the actual photograph of these healthy young plants and the low prices at which they are offered. You will be dollars ahead in securing this stock—our supplies will be exhausted early at these low prices.

Order today.

#### BLEEDING HEARTS (Dicentra Spectabilis)

How many times have you ordered Bleeding Hearts during the winter and early spring and then receive the usual reply, "Sorry, sold out." Why not grow your own? We offer a good quantity of A No. 1 quality plants from 2\(\frac{1}{2}\)=inch pots at \$8.50 per 100, \$80.00 per 1,000.

#### Chrysanthemum Rooted Cuttings

(Also 21/4=Inch Plants)

G. & R. crops approximate seventy-five thousand clean, well-rooted cuttings every two weeks. Remember, don't plant early varieties late and expect early flowers.

#### The NEW Korean Chrysanthemum

(Chrysanthemum Coreanum)

A remarkable new perennial of iron-clad hardiness from Korea, forming fine large clumps 2 to 3 feet in both height and diameter. The large white flowers have golden centers, resembling a glorified Oxeye Daisy; the petals often turning to a light claret pink. It blooms in the greatest profusion in late October to early December, and is destined to become a profitable cut flower subject for the florist.

Excellent one-year-old plants from 2½-inch pots, \$2.25 per dozen, \$15.00 per 100, \$125.00 per 1,000.

#### Ferns

(From 21/4=inch Pots)

We annually grow 200,000 2¼-inch Ferns for spring and summer delivery, and are the introducers of Roosevelt and Teddy, Jr., two of the best types. We urge you to place your order early—We predict a shortage

Roosevelt, Teddy, Jr., Boston, Dwarf Boston, Whitmanii, Whitmanii Compacta, John Wanamaker, Scholzeli, Scottii, and Goodi-2½-inch pots, \$7.00 per 100, \$65.00 per 1,000. 4-inch pots, \$3.25 per 12, \$25.00 per 100.

#### The Fluffy Ruffles Fern

N. Superbissima

We have a limited but excellent stock of this rare Fern. Its distinguishing characteristics are its dark green foliage, darker than that of any other fern, its dense, compact growth, and its irregular shaped fronds. It is the most beautiful of all Ferns. 2½-inch pots, \$8.00 per 100, \$75.00 per 1,000.

#### **Dwarf Ferns for Dishes**

Offered in an assortment of the five best varieties, including Holly. 21/4-Inch, \$5.50 per 100, \$50.00 per 1,000.

#### Gladiolus Bulbs

Well cured, healthy bulbs for forcing. Note special prices on the leaders—Virginia, Pendleton, Halley, Norton, and Shaylor. Special 10% discount on orders for 5,000 or more bulbs.

#### HARDY PERENNIALS

We are giving special attention to our Hardy Perennial Department. The plants offered are pot grown except where noted. We have found pot grown perennials, in the main, to be the most profitable for florists to handle. Refer to the Good & Reese "Blue Book" for descriptions.

| handle. Refer to the Good & Reese "Blue Book" for de                                                        | scriptio     | ns.               |
